

Amateur Radio Field Day

WHO Northern Kentucky Amateur Radio Club (k4co.org)

WHERE Lincoln Ridge Park, Independence, Kentucky

WHEN 2:00 pm, **Saturday, June 22**
through 11:00 am, **Sunday, June 23**

Field Day is ham radio's open house. Every June, more than 40,000 hams throughout North America set up temporary transmitting stations in public places to demonstrate ham radio's science, skill and service to our communities and our nation. It combines public service, emergency preparedness, community outreach, and technical skills all in a single event.

A “Get On The Air” station will be available for members of the public to try making radio contacts with other stations across North America and beyond, using voice, digital communications, and even Morse code. This is a family-friendly event, and all ages and abilities are welcome!
